

How to Activate Your Okta Single Sign-On Account and Log In to CLSI Workspace

Activation of your Okta single sign-on account is done by clicking on the link from the activation e-mail.

Okta: Single sign-on

Welcome to Okta!

Clinical and Laboratory Standards Institute

Hi John,

CLSI is now using Okta, a secure, single sign-on platform, to manage your Web applications. This means you can conveniently access specific CLSI applications you regularly use through this new home page.

To get started, CLSI has created an Okta user account for you.

Click the following link to activate your Okta account. This link expires in 30 days.

<https://clsi.okta.com/welcome/PWCugjeJwTsTD921dSN>

Click here to
activate.

Your username is: jsmith@clsi.org

Your organization's sign-in page is: <https://clsi.okta.com>.

This short video will provide more information on Okta: <http://youtu.be/iWcTXJv-Ciw>.

If you experience difficulties accessing your account, please send a help request to CLSI at itsupport@clsi.org.

This is an automatically generated message by Okta. Replies are not monitored or answered.

Next, create your login credentials and then "Create My Account."

<https://clsi.okta.com>

Welcome to Clinical and Laboratory Standards Institute, John!

Create your Clinical and Laboratory Standards Institute account

New password

8 characters minimum, at least 1 uppercase, 1 lowercase, 1 number and can't contain part of your username.

Repeat new password

Choose a forgot-password question

Answer

Click a picture to choose a security image

This lets you know that you're logging into your organization's site, and not a fraudulent site posing as it.

Create My Account

The Okta home page will appear. Click on the “CLSI Workspace” icon.
